

## **RISK ASSESSMENT-**

### **ACTIVITY: COSTUMED WALKABOUT**

#### Hazard:

- performer falling over
- performers' props(e.g. umbrellas) causing injury to public/performers

#### People at risk:

- public
- performers

#### **Summary of risk**

#### Severity:

- serious injury resulting in permanent severe disability

#### Likelihood:

- very unlikely

#### Controls in place:

- performers to check costumes for likely slip hazards i.e. no grip on soles of footwear

#### Additional requirements:

- ongoing visual checks on costumes
- keeping up safe practices
- performers to be aware of floor i.e. slippery surfaces/discarded objects, etc.
- performers will inform event security of anyone that prevents them from acting safely i.e. threatening behaviour
